

# PENNEKAMP PTA SILENT AUCTION NEEDS YOUR DONATION

On Friday, March 14, 2007 Pennekamp will host its annual Parent Party and Silent Auction. In the past Pennekamp parents have always been invaluable in making the auctions a success. We need your help again this year.

If you work for a company that can donate any goods, tickets or services or if you personally can make a donation we could use your help. Electronics, toys, apparel, tickets, travel, behind the scenes access, special events, gift certificates, sports memorabilia, etc. are all appreciated. All donations can be placed in the silent auction box in the PTA office.

Remember all of the proceeds from this event go directly to our PTA which funds access to art, drama, music and dance instruction, the science lab as well as supplemental funding for up-to-date technology, better playgrounds, books in our library and additional educational materials at Pennekamp. All donations are a charitable contribution to a 510(c)(3) organization and are tax deductible. A donor form will be provided to those contribute for tax purposes.

The Silent Auction is an integral part of the fundraising efforts for Pennekamp Elementary School and represents an excellent opportunity for you to help better your child's experience at Pennekamp.

Thank you in advance for your support.
