

**Coming Soon!!**

# The Pennekamp PTA **WEIRD SCIENCE BOOK FAIR**

December 3<sup>rd</sup> through December 7<sup>th</sup>  
in the Pennekamp Cafetorium  
From 8:00 A.M. to 3:00 P.M. daily\*

Family Night is Thursday, Dec. 6<sup>th</sup>  
6:00 to 8:00 P.M.

Students in grades 1 through 5 will shop with their classes (DK and Kinders are invited to their own special DK & Kinder Social. Please bring your child by at that time. An invitation with details will be coming to you separately.) Please make arrangements with your children on what type of products you would like them to purchase as there will be gift/toy items available as well as books.

We will be featuring a wide selection of high-quality fiction and non-fiction books, picture books and award-winning titles. We also will carry special interest books such as cookbooks, art books, poetry anthologies, holiday-themed and sports-themed books. All brought to us by the incredible Mrs. Nelson's Book Fair Company.

We will give change for cash or checks. Send a check in the estimated amount (don't forget tax!) on the day your child is scheduled to visit the Book Fair (a reminder will be sent closer to the actual Book Fair). Please make checks payable to Mrs. Nelson's Book Fair Company. VISA, Mastercard, Discover and American Express are also accepted, as are VISA and Mastercard debit cards.

Please visit us before or after your child's parent/teacher conference and at our night-time family event on December 6<sup>th</sup> from 6:00 to 8:00 P.M. Come meet and greet Christina Ibrahim, our new science specialist, and tour the new Science Lab! The Pennekamp Book Fair is the perfect place to pick up all the items you will need for great holiday reading and gift-giving! And while you're in the holiday spirit, don't forget our Joy of Reading program. Please consider purchasing a book for a needy child.

\*except on Friday when we close at 1:00 P.M.
