

Want to keep Manhattan Beach GREEN?

Please attend the Manhattan Beach City Council meeting @ 6:30 pm on 12-04-07, @ City Hall to support:

- Teaching the homeowners of Manhattan Beach about proper tree maintenance and pruning.**
- Reaching a balanced approach to new construction and old trees.**
- Establishing an intelligent and enforceable tree preservation policy.**
- Enlarging the tree canopy.**

The Manhattan Canopy Committee is committed to promoting, enhancing and protecting our valuable Manhattan Beach tree canopy. Our focus is on education as a means to promoting healthy decisions relative to tree selection, planting and preservation.
